Reading this book will help you stay safe and have fun as you use your dinghy to connect with land and other vessels. Going Ashore Made Easy is also appropriate for anyone entering the market for a new dinghy and outboard as a standalone vessel for recreation or transportation, or as a tender to a larger boat. It is the most comprehensive and up-to-date book on the topic; in fact, it may be the only book to help a prospective buyer negotiate the variety of choices available. This book will help novice and seasoned dinghy operators to safely rig, operate, transport and maintain their investment, and to employ the craft for a wide variety of useful and purely fun activities -- perhaps more than you ever imagined. Given the breadth of information on outboard motors, this book is valuable to any mariner who uses an outboard motor to propel
