www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works. Excerpt from Ward Gray, and Other Poems The author of these

lines does not make any pretensions to literary ability, since his original training and present circumstances give no allowance to such claims. His only aim being to give, in a few coarse outlines, certain pictures of life, showing that lamentable disposition which parents frequently exercise toward their children, which so often brings ruin and desolation in the after life of persons, whose youth promised once a happy man or womanhood. If this sketch will have the effect to awaken a better sentiment in this respect. Causing parents to prefer Virtue and ability to rank and

finance, his feeble efforts will have been attained. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any

imperfections that remain are intentionally left to preserve the state of such historical works. Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the

books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting

titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact

us directly to enquire about our tailored bulk rates. We try so hard to make life simple; check a box - good or bad, black or white, even faith or no faith. Perhaps, life, especially a life with faith, just isn't that simple. Especially, when it hasn't turned out how we hoped, dreamed, and planned. The Complicated Gray is my story of a mighty faith wrestle and of a life that hasn't turned out how I hoped. It's a hard story. We all have them. Mine, probably much like yours, is a story that left me bruised, feeling never enough, and really mad at God. It's also a big story that led me to Him. This book is filled

with stories that will make you yearn and think and cringe and laugh. It is a messy story because I am not sure faith can be any other way. Most of all, it is a story full of ands. I am a forever grieving mother and a woman who does the work to see the gifts in everything. When we give ourselves permission to walk into the mess of our story, the permission to feel more than one thing, even at the same time, we will find our clarity, magic, and healing. It has only been in giving myself permission to embrace this And, feeling my grief and making it a gift, that I have met this incredible Jesus.

The Complicated Gray is the story of my wrestle into His unending grace and love. No longer a hard story, it is my big story of resilient redemption. And, I pray it will help you see your own big story, and meet my Jesus. Justine is a Licensed Professional Counselor, a Certified Dare to Lead(TM) Facilitator with over 19 years of experience (based on the research of Dr. Brené Brown), author, and speaker. She is the author of her best-selling books, Ever Upward and The Mother of Second Chances and recently gave two TEDx talks. Justine currently lives in Saint Louis with her husband, Chad, and

their three dogs. She enjoys her childfull life by spending time with friends and family, practicing creative self-care, laughing (many times at herself) and building butterfly gardens on her acre of land, which has made her an accidental butterfly farmer. It has been eight years since Hope's mom died in a car accident. Eight years of shuffling from foster home to foster home. Eight years of trying to hold on to the memories that tether her to her mother. Now Sarah, Hope's newest foster mom, has taken her from Minneapolis to spend the summer on the Nebraska farm where Sarah

grew up. Hope is set adrift, anchored only by her ever-present and memory-heavy backpack. Accustomed to the clamor of city life, Hope is at first unsettled by the silence that descends over the farm each night. But listening deeply, she begins to hear the quiet: the crickets' chirp, the windsong, the steady in and out of her own breath. Soon the silence is replaced by voices, like echoes sounding across time — the voices of girls who inhabited the old farmhouse before her. Reluctantly, Hope begins to stretch down roots in the earth and accept this new family as her own. Men and

women are different -- there's no denying it. So why do we constantly expect the same actions and feelings from them? This enormously helpful book not only enables you to recognize the differences between you and your loved one but also leads you toward an acceptance of those differences, thereby paving the way for a stronger relationship. With his characteristic wit and wisdom, relationship expert John Gray explains the different ways men and women communicate, cope with stress, resolve conflicts, and experience and give love. Once you understand these differences, you'll

be better equipped to handle inevitable bumps in the road, and be on your way to a long-lasting and truly loving relationship. Enriched Classics offer readers accessible editions of great works of literature enhanced by helpful notes and commentary. Each book includes educational tools alongside the text, enabling students and readers alike to gain a deeper and more developed understanding of the writer and their work. The well-known artist Basil Hallward meets the young Dorian Gray in the stately London home of his aunt, Lady Brandon. Basil becomes immediately infatuated with

Dorian, who is cultured, wealthy, and remarkably beautiful. Such beauty, Basil believes, is responsible for a new mode of art, and he decides to paint a portrait of the young man. While finishing the painting, Basil reluctantly introduces Dorian to his friend Lord Henry Wotton, a man known for scandal and exuberance. Wotton inspires Dorian to live life through the senses, to feel beauty in everyday experience. Dorian becomes enthralled by Wotton's ideas, and more so becomes obsessed with remaining young and beautiful. He expresses a desire to sell his soul and

have the portrait of him age, while he, the man, stays eternally young. A tragic story of hedonism and desire, *The Picture of Dorian Gray* is Oscar Wilde's only published novel. Other writings include *De Profundis* and *The Ballad of Reading Gaol*. Enriched Classics enhance your engagement by introducing and explaining the historical and cultural significance of the work, the author's personal history, and what impact this book had on subsequent scholarship. Each book includes discussion questions that help clarify and reinforce major themes and reading

recommendations for further research. Read with confidence. In the final book of *The Parker Trilogy*, four lives intertwine in a personal yet cosmic battle of good and evil. COMING SOON!!! Born in the rural South, Tyler Vance grew up tough. But eventually, his quick fists and hot temper forced him into the army--to avoid jail--with him patrolling some of the deadliest ground in the world. Excerpt from *Two Graves, or the Blue and the Gray: And Other Poems About the Publisher*. Forgotten Books publishes hundreds of thousands of rare and classic books. Hitchcock meets Serling in this deadly game of cat-and-mouse between a young couple and alien

races from a #1 New York Times–bestselling author. After engaging in bloody warfare against each other, two alien races—the Greens and the Grays—take refuge on Earth, both believing their home and their enemy destroyed. For seventy-five years, they have been passing as humans, living peacefully—until each side discovers the other has survived. Now, in order to avoid another destructive conflict, these extraterrestrial rivals have united and agreed that a sacrifice must be made . . . On a dark and cold October night in Manhattan’s Riverside Park, a

strange ceremony is about to begin. The group is focused on a young girl who is ready to do what she must for peace, but the ritual comes to an abrupt halt when the child is mysteriously kidnapped. Meanwhile, after four years of marriage, Roger and Caroline Whittier struggle to get through a day without fighting. Their bickering is interrupted when a bizarre mugger leaves them with a little girl named Melantha. While they disagree on most matters, they both know they must protect Melantha. Unfortunately, they have no idea who is looking for their foundling or the

lengths they will go to get her back. Now, the chase is on . . . “[Timothy] Zahn has lots of surprises up his sleeve, and the ability to make the strange sound real.” —Statesman Journal “Compelling . . . One nice touch in this highly enjoyable hybrid of SF and mystery is that at no point does any one character know exactly what’s going on.” —Publishers Weekly Everyone agrees that America is polarized, with ever-hardening positions held by people less and less willing to listen to one another. No one agrees on what to do about it. One solution that hasn’t yet been tried, says Adam Hamilton, is

for thinking persons of faith to model for the rest of the country a richer, more thoughtful conversation on the political, moral, and religious issues that divide us. Hamilton rejects the easy assumptions and sloppy analysis of black and white thinking, seeking instead the truth that resides on all sides of the issues, and offering a faithful and compassionate way forward. He writes, "I don't expect you to agree with everything I've written. I expect that in the future even I won't agree with everything I've written here. The point is not to get you to agree with me, but to encourage you to think about what

you believe. In the end I will be inviting those of you who find this book resonates with what you feel is true, to join the movement to pursue a middle way between the left and the right - to make your voices heard - and to model for our nation and for the church, how we can listen, learn, see truth as multi-sided, and love those with whom we disagree." for group or individual study. Includes leader's guide as well as bonus video. Click below to view a preview of each video session. Where Faith and Politics Meet Christ Christians and the Culture Wars How should we live, The Ethics of Jesus Spiritual Maturity and Seeing Gray What Would Jesus Say to America? Flamboyant and controversial, Oscar Wilde was a dazzling personality, a master of wit, and a dramatic genius whose sparkling comedies contain some of the most brilliant dialogue ever written for the English stage. Here in one volume are his immensely popular novel, The

Picture of Dorian Gray; his last literary work, "The Ballad of Reading Gaol," a product of his own prison experience; and four complete plays: Lady Windermere's Fan, his first dramatic success, An Ideal Husband, which pokes fun at conventional morality, The Importance of Being Earnest, his finest comedy, and Salomé, a portrait of uncontrollable love originally written in French and faithfully translated by Richard Ellmann. Every selection appears in its entirety—a marvelous collection of outstanding works by the incomparable Oscar

Wilde, who's been aptly called "a lord of language" by Max Beerbohm. I never thought I'd go to college a virgin, but unless something changes, and fast, that's what's going to happen. In comes Harden Hart, my All American boy-next-door best friend with an offer to help in a way I'd never imagined. The boy who turned everything he touched to gold had a filthy side to him I'd never seen. Oh, and did I mention he's straight? We could keep this fun but we had to hide it from both our fathers. We could smile for the cameras, focus on winning the state swimming championship and maintain Harden's

image. Easy enough, right? Only Harden didn't want to hide. His addiction to our not-so-private hook-ups put everything at risk with his father's planned presidential run, and I risked losing my best friend if anyone found out. But the biggest risk of all—the risk of breaking my own heart by falling for someone who was never mine to begin with. Maybe love just isn't in the equation. My name is Dorian Gray. You might think you know my story? Please. That was just the beginning. Not the end. I've lived over 100 years. I don't know why. I've sinned, deeply, but haven't we all? Now Sybil is back. Her name is

Izzy and she looks the same. Smells the same. Walks the same...but everything else about her is different. Stronger. Bolder. I want her more than ever. I should keep her safe, and keep my hands to myself. But those dark parts of my soul still linger. I won't lose her again. With more than 1 million copies sold worldwide, The Elements is the most entertaining, comprehensive, and visually arresting book on all 118 elements in the periodic table. Includes a poster of Theodore Gray's iconic photographic periodic table of the elements! Based on seven years of research and photography by

Theodore Gray and Nick Mann, The Elements presents the most complete and visually arresting representation available to the naked eye of every atom in the universe. Organized sequentially by atomic number, every element is represented by a big beautiful photograph that most closely represents it in its purest form. Several additional photographs show each element in slightly altered forms or as used in various practical ways. Also included are fascinating stories of the elements, as well as data on the properties of each, including atomic number, atomic

symbol, atomic weight, density, atomic radius, as well as scales for electron filling order, state of matter, and an atomic emission spectrum. This of solid science and stunning artistic photographs is the perfect gift book for every sentient creature in the universe. The children and the robin -- Story of Harriet Gray -- The honeysuckle and the bird's nest -- The basket of peaches -- Great things from little things do grow. The Picture of Dorian Gray and Other Short Stories is a compilation of short stories by Oscar Wilde, along with his only novel, The Picture of Dorian Gray. It was

originally published in 1888 under the title *Stories*: Oscar Wilde. Some of the short stories within include "The Sphinx Without a Secret," "The Model Millionaire," and stories from the previously-published collections "A House of Pomegranates" and "The Happy Prince and Other Tales." This book is sure to interest Oscar Wilde fans and fans of Victorian literature. OSCAR WILDE (1854-1900) was a celebrated Irish-born playwright, short story writer, poet, and personality in Victorian London. He is best known for his involvement in the aesthetic movement and his only novel, *The*

Picture of Dorian Gray, as well as his many plays, such as *Lady Windermere's Fan*, *The Importance of Being Ernest*, *A Woman of No Importance*, *An Ideal Husband*, and *Salome*. During his imprisonment for gross indecency, he wrote *De Profundis*, and later, *The Ballad of Reading Gaol*. Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so

they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy. Gray just wants to be included with the Primary and Secondary colors, but since they are always leaving him out, Gray decides to create an all-gray book to show that he can be bold and interesting, too. Mack incorporates recent scholarship on Gray, drawing on developments in 18th-century and gender studies, as well as on extensive archival research into the life of the poet and his family.

The result is an eloquent and enlightening book, sure to be the definitive biography of this great poet, a forefather of the Romantic Movement. 50 illustrations. The British bestseller *Straw Dogs* is an exciting, radical work of philosophy, which sets out to challenge our most cherished assumptions about what it means to be human. From Plato to Christianity, from the Enlightenment to Nietzsche and Marx, the Western tradition has been based on arrogant and erroneous beliefs about human beings and their place in the world. Philosophies such as liberalism and Marxism think

of humankind as a species whose destiny is to transcend natural limits and conquer the Earth. John Gray argues that this belief in human difference is a dangerous illusion and explores how the world and human life look once humanism has been finally abandoned. The result is an exhilarating, sometimes disturbing book that leads the reader to question our deepest-held beliefs. Will Self, in the *New Statesman*, called *Straw Dogs* his book of the year: "I read it once, I read it twice and took notes . . . I thought it that good." "Nothing will get you thinking as much as this

brilliant book" (Sunday Telegraph). This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. A winter's day is transformed from bleak to beautiful by warm friendship and a new perspective in a gentle story that encourages the

appreciation and celebration of cozy pleasures and quiet joys. Excerpt from The Blue and the Gray: And Other Poems and Songs There is a tradition that far back in the early ages of Scotland one of its many little kings had a special farmer friend whose given name was Ham. At one time a rebellion was in his realm, and the king was about to be captured by his enemies; so he made his way to the farm of his friend, Ham, who at the time was piling his hay into hay cocks. Upon being told by the king the state of affairs, Ham hid the king under one of his hay mows; and when the pursuers came, he told them that the king

had been there, but had disappeared. They continued their pursuit in the direction they had been going; and when they were fully out of sight, Ham had his friend, the king, to come out from under the hay and take his course in safety. This cunning Trick of Ham. Becoming known, caused him to be called Cunning Ham, and in course of time his family were all called Cunning hams. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work.
